Terms and Conditions

All amounts owed by the account holder under any lease or purchase agreement entered into between the account holder and LOU-TEC Group Inc. ("LOU-TEC") are payable within thirty (30) days of the invoice date. The account holder may pay any invoiced amount within this 30-day period without interest, fees, or penalty. If the payment terms outlined in these account opening terms and conditions (the "Account Opening Agreement") or any other terms or conditions hereof or of any lease or purchase agreement entered into between LOU-TEC and the account holder are not met, LOU-TEC may temporarily or permanently suspend the payment terms offered and the account of the account holder. The account holder acknowledges having read and accepted the above terms and conditions. The account holder authorizes LOU-TEC to conduct a credit check on the account holder and to disclose the credit status of the account holder. The account holder also agrees to pay interest at a rate of 2% per month (24% annually) on any balance due to LOU-TEC.

The parties expressly agree that the payment terms will always be those stated in these terms and conditions and will not be subject, under any circumstance, to a pay-when-paid clause, including on the account holder's purchase orders, unless expressly authorized in writing by LOU-TEC's Director of Treasury.

The account holder is responsible for complying with the requirements of any lease agreement entered into between the account holder and LOU-TEC, including the terms and conditions of the LOU-Protéc waiver Program in the event of damage to leased equipment (the "Program").

If LOU-TEC must retain a lawyer or another person for the collection of amounts due, the account holder agrees to pay, in addition to the amounts due, 20% of the claimed amount as liquidated damages for trouble and inconvenience and for expenses incurred in collecting the amounts due.

Dishonoured Payment

A fee of \$35 will be added for any dishonoured check or payment.

Personal Guarantee - Suretyship (For Use in Québec Only)

By signing this document, the undersigned acknowledges having reviewed the terms and conditions applicable between LOU-TEC and the account holder.

In this regard, the undersigned hereby agrees to act as a personal and solidary surety (guarantor) for all current and future obligations of any nature contracted by the account holder with LOU-TEC. The undersigned acknowledges that their undertaking as a surety is not limited to any amount, including the credit limit requested by the account holder, except for the amounts actually owed by the latter. The undersigned also acknowledges that the credit limit requested by the account holder does not limit their suretyship undertaken hereunder. The undersigned waives any benefit of division or discussion in their favour and waives the right to any personal remedies. The undersigned acknowledges that this suretyship can only be revoked once all accounts of the account holder have been fully paid, even if three (3) years have passed since executing this document. The undersigned acknowledges that if their suretyship is tied to the performance of specific duties, the cessation of those duties will not terminate their suretyship, despite the provisions of Article 2363 of the *Civil Code of Québec*.

The undersigned acknowledges that their credit history may be a factor in evaluating the credit history of the account holder and the surety, and the undersigned authorizes LOU-TEC to obtain and use a credit report regarding the undersigned, as required from time to time, for the evaluation, approval and review process of their commercial credit file.

The undersigned hereby authorizes the collection, use, and disclosure of their credit information from the account holder and their consumer credit to allow LOU-TEC GROUP INC. to establish solvency, respond to product and service requests, manage their client account, and comply with legal requirements. Without limiting the above, the undersigned hereby authorizes the disclosure of their personal information to third parties as needed to obtain credit reports and references to establish solvency. Additionally, the undersigned hereby authorizes LOU-TEC GROUP INC. to disclose to third parties, including credit agencies, etc., any default by the account holder and/or the undersigned in settling invoices and fees charged to their client account. The undersigned, as an individual, knowingly consents to the use of this credit report.
